### Maverik just doubled in size by acquiring Kum & Go convenience store chain

Maverik operates 400 stores across 12 Western states and will grow its geographic footprint with Des Moines, Iowa-based Kum & Go's network of over 400 stores across the Midwest and West. Kum & Go has a small presence in Utah, opening its first store in the state in Draper last December.

### University of Utah gets \$100M to move military reserve center from historic Fort Douglas

The sizable appropriation comes as the university has embarked on ambitious plans to build 5,000 additional student housing units over the next several years, which would double its on-campus housing.

### Utah Brings In Business

"Companies like Texas Instruments continue to invest in Utah because of our world-class business climate and exceptional workforce."

— Governor Spencer J. Cox

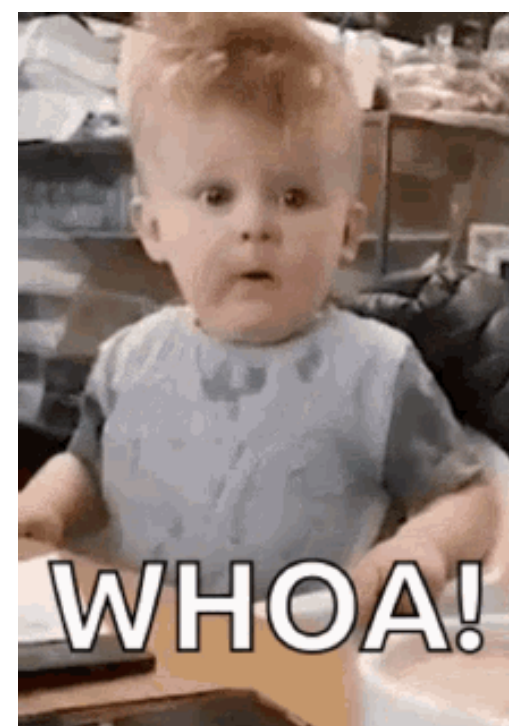

### Opinion: Utah takes another evolutionary leap

By Natalie Gochmour

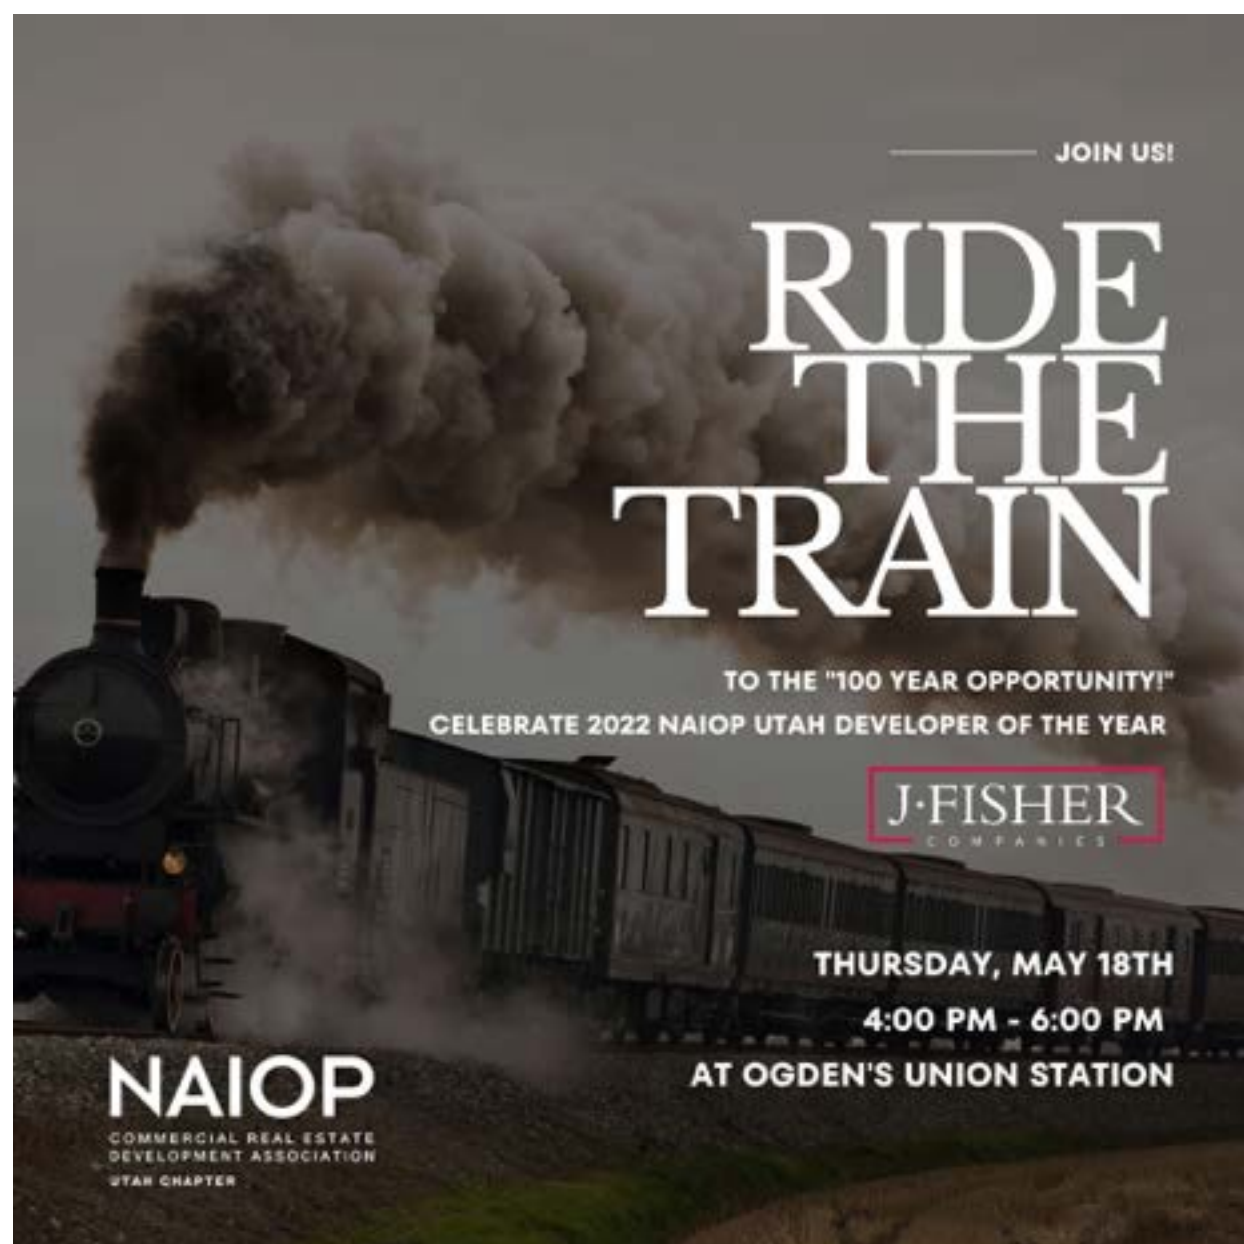

Utah is constantly evolving, but every once in a while that evolution takes a great leap

### Utah Jazz owner Ryan Smith's pursuit of an NHL team is 'in motion'

Utah Jazz owner Ryan Smith has been at the helm of Utah's NBA team going on three years.
