Mountain View Village was built for Silicon Slopes

The sprawling 85-acre, mixed-use development is located in the heart of Silicon Slopes. Its aesthetic and diverse amenities draw a young workforce, allowing tenants to offer an unmatched employee experience.

The demand for hybrid work is reshaping how companies utilize real estate

While not everyone relished Zooming from the kitchen table, it's clear the pandemic's work-from-home experience sparked a conversation about how companies approach the workplace.

Here's what's coming to the former site of the Southeast Market in Liberty Wells

The developer who purchased the Southeast Market building on the north end of the Liberty Wells neighborhood has released plans for what she's calling the "Milk Block."

St. John Properties Breaks Ground on New 47-Acre Development Phase at Valley Grove

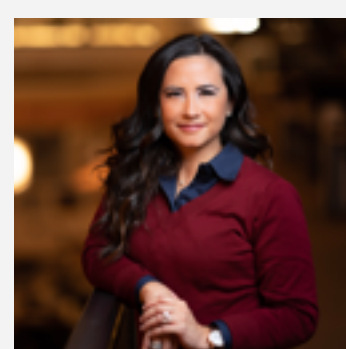

Development of new phase will bring St. John Properties' commercial investment to over \$1.2 billion in Pleasant Grove

Holladay building collapses, workers uninjured

According to Unified Fire Authority, the end unit in the commercial building was under renovation and a construction crew was inside as the roof fell on top of them. The workers were able to escape without major injury.
