Final beam placed atop the tallest building in Utah

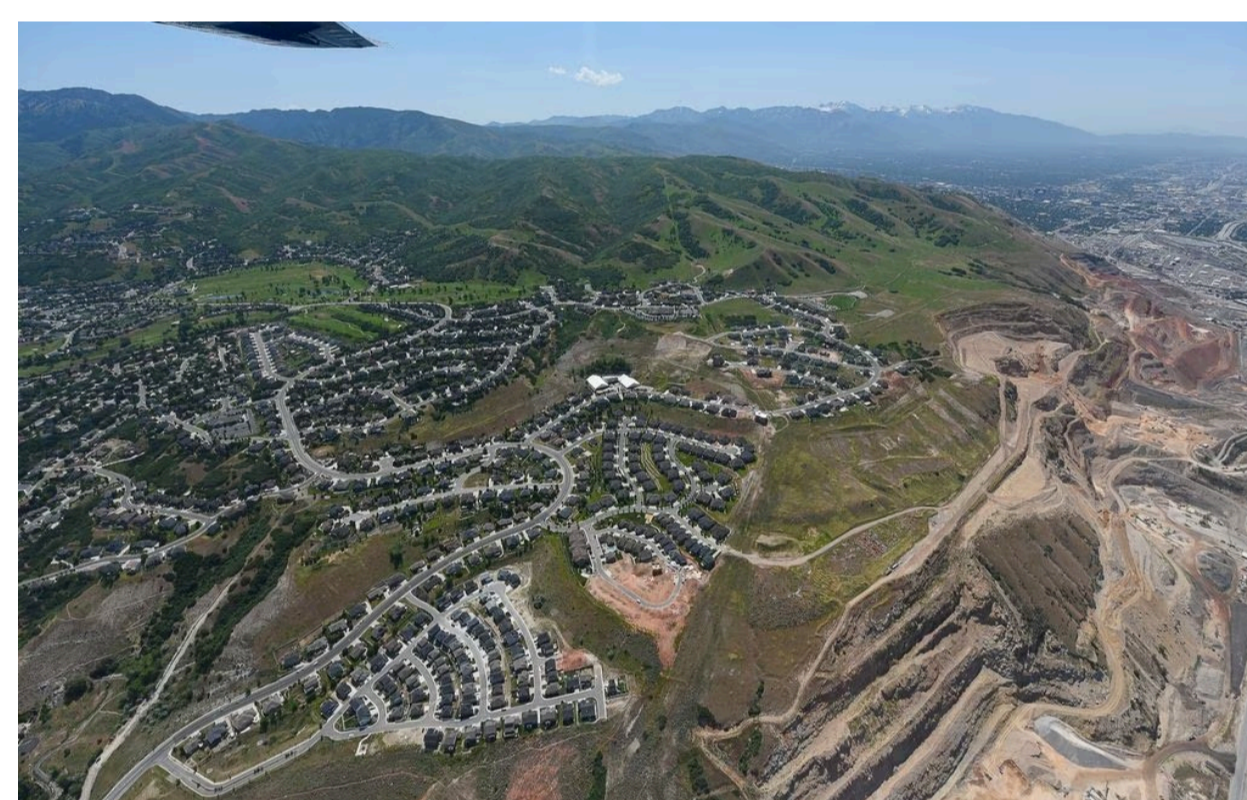

The final steel beam was placed atop what will be a 451-foot high-rise in Salt Lake City, making it the tallest building in Utah. The Astra Tower is located at 89 East 200 South State Street and will house 377 luxury apartments on 41 stories.

A first look inside Intermountain Primary Children's Hospital Lehi campus

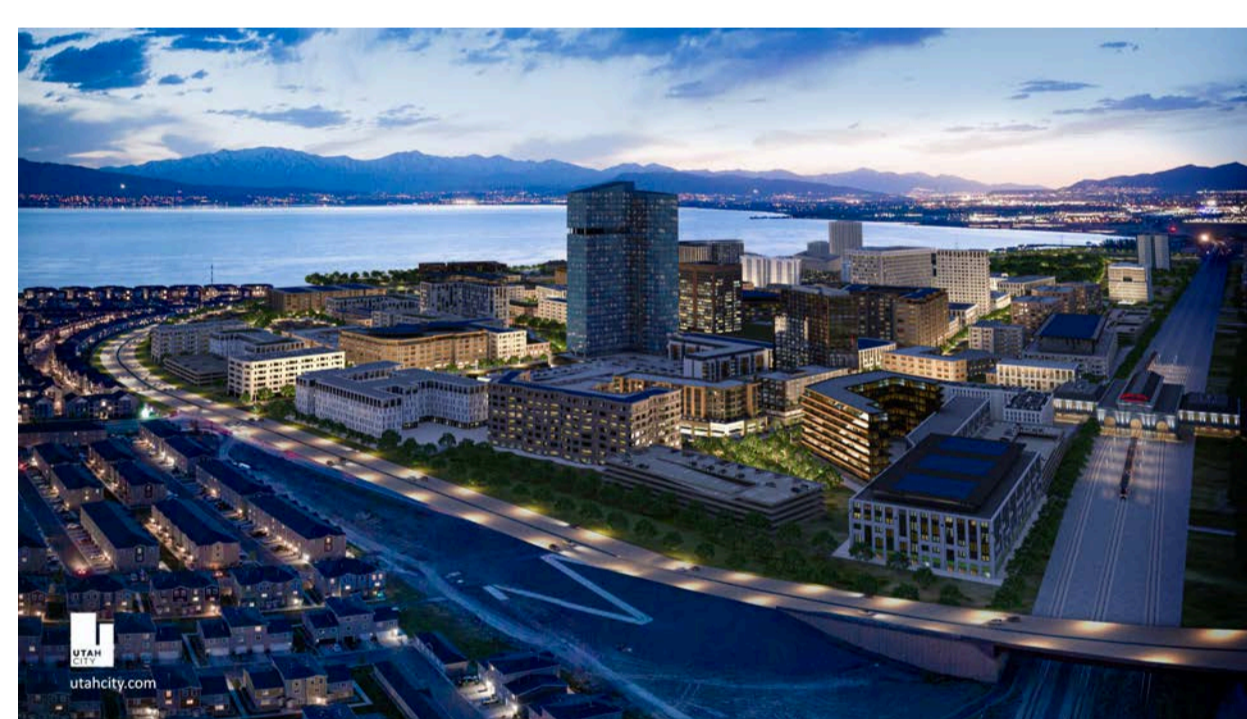

Intermountain Primary Children's Hospital is inching closer and closer to celebrating the opening of its second campus in Lehi.

Here's what Utahns think about how the state should grow

Results of state-backed Guiding Our Growth survey reveal strong opinions on housing, water, transportation and open space among urban and rural residents.

Move over, Salt Lake City—Utah City is on its way

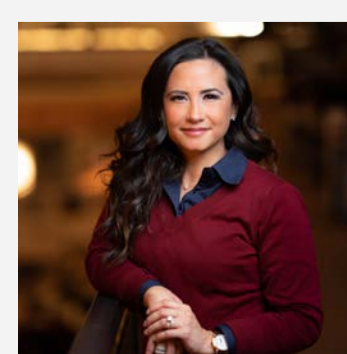

A little over 20 years ago, Vineyard, Utah—with its population of 139—sat somewhat isolated on the shore of Utah Lake, flanked by the former Geneva Steel mill. Now, it's a city of more than 23,000 people and is slated to become the seat of Utah County's urban center.
