'I want this here': Cox waxes bullish on Utah's MLB franchise chase as Rays work stadium deal

Just two days after the Tampa Bay Rays announced a critical step in getting a new, \$1.3 billion ballpark built — a deal that, if completed, would keep the team in Florida — Utah Gov. Spencer Cox was beaming about what the news means for the current effort to bring Major League Baseball to Utah.

Utah Valley University breaks ground on new \$88M engineering and technology building

Much like Utah County itself, Utah Valley University is experiencing rapid growth.

New Ballpark project would offer 100% family-sized, affordable units

Citing an "urgent" need for apartments that are both affordable and also large enough for families, a developer that specializes in low-income housing has released details for new project in the Ballpark neighborhood.
