Happy Friday!

Play ball! Salt Lake Bees break ground on new stadium and Downtown Daybreak

Work is now officially underway on the Salt Lake Bees' new "hive," as a part of a major shift for the future of South Jordan's Daybreak community.

Ribbon cutting celebrates the 'impossible,' an affordable housing community for 1,200 residents

Construction began on what the developers believe is the most ambitious affordable housing development of any ski town in America, probably the world, before the builders had their financing.

Vestar and The Athens Group announce development milestone at the new Asher Adams Hotel in The Gateway

Located within the Vestar-owned center, The Gateway, Asher Adams will transform one of the city's most admired architectural structures - the 1909 Union Pacific railroad station - into a 225-room Marriott Autograph Collection hotel.

Southern Utah's master-planned community: Desert Color

A new master-planned community, is rising just outside St. George. Echoing previous endeavors like Daybreak, Desert Color purports to be a testament to innovation, sustainability and the drive to craft something new amidst the vast desert landscape.
